YOU GIVE LIGHT TO YOUR NEIGHBORS

I like that we have activities such as Support Group, Exercise & Sensory. I'm happy with assistance from case managers, and I enjoy being around my peers.

Cassandra

I enjoy being around peers that have some of the same issues as me. I appreciate the staff and the help they give me.

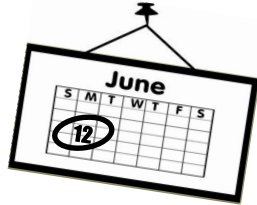

Melissa

Thank you to the Fortunes and the Friends of the Blind for treating the clients to our Winter Wonderland Party held every year. The clients enjoyed the party, and the music added more joy to their holiday.

To Our Clients, Volunteers, and Supporters:

Thank you for all of your dedication and support throughout 2022. We continued to keep our clients updated on COVID-19 by providing a presentation from representatives of the PA Department of Health along with vaccinations, if requested. We were able to have our clients attend activities in-person, but we still focused on keeping everybody healthy by continuing the mask mandate. We added two new social activities per our clients request: Bingo & Bowling.

Our Prevention of Blindness staff continued to provide children's screenings and educational programs. We started a new program of educating third grade students and teachers on the Magic World of Vision Eye Safety Education Series along with the coloring poster contest. Hopefully, we will get into more schools in 2023 to offer this valuable learning opportunity.

Our Radio Reading Service program manager and volunteers continued to read the Scranton Times-Tribune, Monday-Friday from 8:00 a.m.—10:00 a.m. keeping our clients updated daily on local and world news.

Please be sure to like and follow us on Facebook and visit us often at www.lackawannablind.org. Best wishes for a pandemic free 2023!
